Sub:-Grant of Selection Scale to KVS teachers- Clarification regarding possession of higher qualifications.

Sir/Madam,

The matter pertaining to grant of Selection Scale to such TGTs who do not possess the higher qualifications, as required for the promotional post but and having Post Graduation in other subjects, was under examination with the Ministry for a long time. Now, after careful examination, the MHRD vide their letter dated 03.03.2009 has clarified as under:-

Description	Clarification Sought	Clarification Received
One Mr Kaurppaiyan is working as TGT (Math) but he has Post graduation qualifications in Economics and not in Mathematics. However, in accordance with the then existing Recruitment Rules applicable in KVS w.e.f.05/07/2001, inspite of having PG qualifications he is not eligible for promotion as PGT Economics. As of now also, he is not eligible for promotion as PGT (Eco) based on the RR w.e.f.1.08.2008.	Whether the TGTs who do not possess the higher qualification, in the subject of their present post are eligible for grant of Selection Scale as in the case of Mr. M. Kaurppaiyan TGT (Maths), KV DGQA Chennai, who is a Post Graduate in Economics and not in Mathematics.	Acquiring higher qualification is a pre-requisite for grant of higher scale under ACP/Selection Scale. It has been decided by the competent authority not to allow the teachers to acquire higher qualification in a different subject for getting promotion to higher post scale by Sh. M. Kaurppaiyan, TGT (Maths) is not in order as per RRs to the post of TGT (Maths) of KVS.

This may be circulated among all Kendriya Vidyalayas functioning under your administrative jurisdiction.

Yours faithfully

(S.S. SEHRAWAT)
